

ANNUAL PRAISE REPORT

1 March 2022 - 28 February 2023

"For as the rain and the snow come down from heaven and do not
there but water the earth, making it bring forth and sprout, giving
seed and bread to the eater, so shall my word be that goes
out from my mouth; it shall not return to me empty, but it shall accomplish
that which I desire, and the thing for which I have sent it."

*“For just as rain and snow
fall from heaven and do not return
there without saturating the earth
and making it germinate and sprout,
and providing seed to sow and food to eat,
so my word that comes from my mouth
will not return to me empty, but it
will accomplish what I please
and will prosper in what
I send it to do.”*

Isaiah 55:10–11 (CSB)

Introduction

It is with much gratitude and with great awareness of our dependence on God that [Revive Our Hearts South Africa](#) presents this report. *ROH SA* is committed to striving to support the mission of our mother organisation, [Revive Our Hearts USA](#), here in South Africa, namely: Calling Women to Freedom, Fullness and Fruitfulness in Christ

Message from the Chairperson of the Board

The year under review reflect a move more towards working deeper than wider. The Team, under the leadership of Retha, has done great justice to the Lord’s instruction to dig deeper and not wider. The testimonies in this Report talks to the goodness and greatness of our God who still remembers each of us. He reveals himself through the work of the ministry in individuals and through the healing of relationships and to care for the weary.

The work could not have been done without the faithful people that acknowledged and excepted His calling on their life: Board of Directors, *Revive our Hearts SA* Team, our ministry partners and the ever supporting mother organisation in the USA. Thanks to all of you!

The expansion of our administrative capacity that was made possible by our mother organisation and will unlock more leadership time to the spiritual side of the ministry.

The Lord’s goodness is also reflected in a healthy financial situation and the Board wants to assure every donor of the good governance in stewarding the funds entrusted to *Revive Our Hearts SA*.

I want to conclude this Report by reminding you about what our Lord said in Matthew 16:9 to his disciples sailing on the sea with concerns about their daily needs: “Don’t you remember?” He reminded them that He will provide for our daily needs, we must just trust Him. We are looking forward to a year on the open sea of life with our Provider close by. May our faith in you provide fruit through our collective efforts to those in need of your touch and salvation.

Highlights of the Year: Celebrating Six Years of Grace and Growth

Bible Read-a-Thon (10-12 June)

The **Bible Read-a-Thon** we did on 10 – 12 June, as part of *Revive Our Hearts SA's* sixth birthday celebration was a huge project that accomplished far more than we ever could have hoped. We read the entire **Bible** in **72 hours** on the *Zoom* platform with the help of all our *ROH* international friends. We stand in awe of the extent of the project that achieved far more than we thought or dreamed possible. We would like to thank everyone that was involved.

Approximately **280 people** in **26 different languages** across **17 countries** read the Bible.

There were people consistently logged onto the call to hear the reading of the Word with a maximum of 25 people online at any single time. There were a group of 29 ladies who read parts of the Bible in their own time during the weekend. Also, a congregation from George, South Africa, read 1 and 2 Kings during their Sunday morning service.

The event ended with the highlight of **60 people**, across different countries, **reading The Lord's Prayer** aloud, each in their own language.

Testimonies Received

- ✦ Thank you for the privilege of being a part of this very blessed moment. I PRAISE our Father God for all He's doing through your ministry. It's breath-taking!!! What an inspiration! I am in awe! May our Lord renew your strength every step of the way. May He give you all the wisdom, grace, peace, joy and provision you need each day as you so faithfully serve Him. Much love in Christ!
- ✦ Tonight I sleep like a baby. My whole spirit is FULL of HIS Sweet Words. What a privilege.
- ✦ Thanks a million for being part of an extravagant journey! It was a joyful experience.
- ✦ The whole 72 hours were a fragrant sacrifice to our God and it kindled a fresh love for God's Word in all our hearts.

Thank You

A big thank you to the three **ministry partners** who joined us in this event. This would not have been a success without you:

Highlights of the Year: Seek Week

Jannie and Retha de Villiers had the great privilege of attending the annual **Life Action Seek Week** in Michigan, USA.

At this event, all the staff come together for a week to grow together and to get to know each other on a deeper level. It was wonderful to see friends face-to-face and to put faces to names!

The speaker at the event was Colin Smith, a senior pastor from **Open the Bible**. His teachings on Psalm 23 were deep and touching.

Testimony

We were treated so warmly and they made us feel so welcome. This taught us much about hospitality and we hope to make this part of the **ROH SA** culture. A big thank you is due, especially to Monica Vaught and Angela Temples for their love and example of servanthood.

During this week we were afforded the opportunity to have a meeting with Martin Jones, the operational director of **Revive Our Hearts**, to discuss matters concerning **Revive Our Hearts SA**. With a grateful heart we once again realised that the staff of **Revive Our Hearts** truly care about us and our ministry here in South Africa and that we are in all aspects part of them.

1. Development of Revive Our Heart USA Resources

1.1 Seeking Him Broadcast Groups

The [Seeking Him podcasts](#) continue to be distributed on weekdays in **English**, and we have translations available for voice recordings in **Afrikaans** and **Tsonga**. The participants in the *WhatsApp* groups then share these recordings with their respective contacts. While we are unsure of the exact extent of the distribution network, we are aware of the reach that has been reported to us.

Additionally, the [Afrikaans](#) and [Tsonga](#) voice messages, along with the corresponding transcriptions in Afrikaans, are uploaded daily on our website. Our website is linked to the international page of the *ROH US* website.

We are actively seeking individuals who can translate and distribute the podcasts into other indigenous national languages. This is a prayerful endeavour as we aim to expand the accessibility of our content to a broader audience.

1.2 Husband Encouragement Challenge

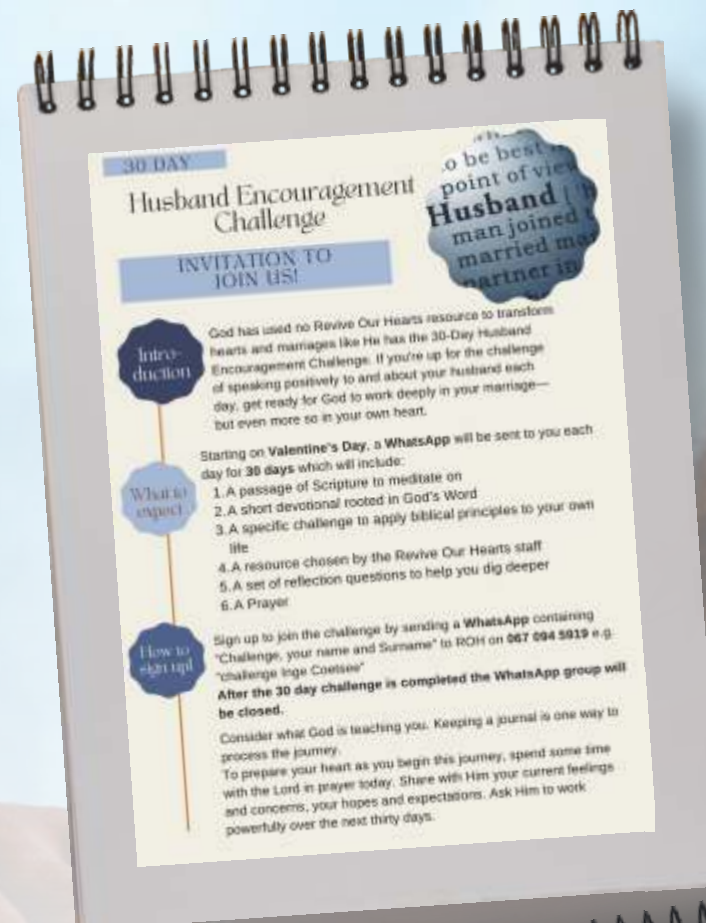

On 14 February ROH SA started the 30-Day Husband Encouragement Challenge. This was part of a worldwide Challenge ROH US distributed. Approximately **760 women** from all over **South Africa** received the daily challenge via *WhatsApp*. The challenged crossed our borders even women from **Egypt** and **Sri Lanka** joined our groups.

It was very special to hear the impact this challenge has had on so many marriages.

oral declaration

The 30-Day Encourage Your Husband Challenge has changed my heart towards my husband and my entire household. I have learned so much, such as being more patient and how important it is for my husband to know that what he does for me and our family is noticed and appreciated. My husband likes to know that I need him, and although I knew this, it was so difficult for me to say it to him. However, this challenge helped me to praise him more easily and with a joyful heart. During these 30 days, I got off my high horse and found joy in my husband. I look at my husband and myself with different eyes, and I am so grateful that Jesus opened my eyes! The whole dynamic in our home has changed. There is now a spirit of peace instead of irritation and envy.
Thank you, Jesus!

After 15 years our marriage is stronger again. I had developed such a resentment towards my husband for bad decisions he made that affected our home in a negative way. I lost all respect for him and closed my heart to him. This challenge truly turned things around for us and we are in a much better place and only getting better each day.

After more than thirty years of married life, it is quite a challenge to encourage my husband for 30 days. My habits and practices are well-cemented - and I am very comfortable with it! A few days of challenges have made me struggle with the realities of my own shortcomings. With the grace of God, I now realize that I am the obstacle to the marriage I desire. At the same time, I am doing the Lies Women Believe study with another group, and so the most difficult part of both studies overlaps - intimacy in marriage! Gracefully, a new light is shining for me, and I can now handle it better and my marriage is in a much better place! Any couple should experience an improvement in their marriage if the challenge is faithfully followed! Don't shy away if the challenge requires more from you than what the written challenge asks you to do every day!

Thank you very much for the challenge. I realized thoroughly that what you put in, you get out and even more. It takes so much grace (God-given), because I can't do it myself. There is still too much self-righteousness in me, but little by little, as I started to give, it came back multiplied. Once again, thank you!

Thank you so much for your obedience and for helping us to invest in our marriages. I have a difficult relationship with my husband and have done several courses to bring "me" in line with God's Word. Our relationship is better.

2. Development of New Revive Our Hearts SA resources

2.1 Radio

The weekly radio program presented by Retha de Villiers on *Caledon FM*, concluded at the end of December 2022. Jan Greyling, the announcer responsible for broadcasting the program, transitioned to a new job, resulting in the discontinuation of his program. It started off as a message of encouragement during the Covid pandemic. The content of the program is adapted and recorded as [“Lewensaadjes”](#) for YouTube.

2.3 Magazines

Marisa Badenhorst still writes a monthly column for women, *Pearls for the Woman*, in the *Grain SA* magazine.

2.2 YouTube

No *YouTube* recordings have been conducted since the beginning of 2023. After the radio broadcasts came to an end, Retha recognized the need to devote more time to her personal spiritual journey and seek guidance from the Lord before resuming public sharing and ministry.

3. Equipping and Supporting Women Leaders

3.1 Ambassadors' Program

Supporting leaders has always been a key priority for *ROH*, which is why the *Ambassadors' Program* was introduced. In South Africa, we share this value, but in the past seven years, our focus has predominantly been on ministry growth, resulting in the development and support of leaders occasionally taking a backseat.

However, with the new structure in place, where Wilmie van Tonder, our Ambassador, assumes responsibility for all the *Regional Ministry Partners (RMP)*, we are confident that we will make significant strides in reaching out to leaders and providing the support they need. This change marks a significant step forward in our commitment to nurturing and empowering leaders within the ministry.

3.1.1 Wilmie van Tonder (*ROH Ambassador in George*)

As *ROH SA Ambassador*, Wilmie van Tonder, based in George, is responsible for sending the daily *Seeking Him* messages as well as the weekly *Living Seeds* to a *WhatsApp* group with an ever-growing membership, recently exceeding 100 ladies. She is also the *ROH* book distribution centre for the Southern Cape region.

She held gatherings with 9 leaders from 7 different ministries and churches.

Another valuable partner since 2018 is Magda Burger from *Liberty Christian Church* who recently completed a Bible study group through *True Woman 101*, managing to reach the hearts of several broken women.

New relationships are being fostered with two missionaries. One is working on her second *ROH* Bible study in Madagascar, this time in French. The other one is trusting God for another season to formally minister to women in Vietnam. It is heartening to see how *ROH* materials continue to reach women, both in South Africa and beyond.

Recently Wilmie has connected with young missionaries from Germany and Austria, having a passion for girls and women in crisis (prostitutes, the poor, etc.), as well as the deaf community. Through this budding relationship they have been introduced to the locally available *ROH* resources, as well as the German *ROH* material which they can share with friends and family back home.

We are excited about the significant impact Wilmie as *ROH Ambassador* has had, and continues to have, on the lives of women in our region.

which I purpose, and shall succeed in the and shall succeed in the thing for which

3.1.2 Regional Ministry Partners

The RMP's gather for monthly online meetings:

- ✦ Angie Grobler - Nelspruit (Mbombela)
- ✦ Cecelia Ströfeldt - Bloemfontein
- ✦ Corné Loots - Harrismith
- ✦ Sindy Naudé - Koekenaap

3.2 Leader Support

In September, Jannie and Retha paid a visit to Sindy Naudé in Koekenaap who was identified as a possible RMP. They got to know her better and gave her some resources.

True Girl South Africa, founded by Annalien Prinsloo, was launched under the mentorship of *Revive Our Hearts SA*.

3.3 ROH SA Team

In recent developments *ROH USA* and *Life Action Ministries* became to separate ministries and *ROH USA* started conducting weekly Chapel sessions. All *ROH* teams worldwide have been invited to participate through live streaming. They have initiated the study of *Seeking Him* to reinforce the fundamental values of *ROH*.

However, due to the time difference and frequent power outages, it has become challenging for our team to watch the sessions regularly. To address this, Marcia Loots has taken the initiative to create a weekly summary and share it with all *ROH SA* team members via *WhatsApp*. This ensures that everyone remains informed and connected.

Seek Time

The *Revive Our Hearts SA* team spent the first two days of April 2022 seeking God for direction and instruction for the ministry. On this occasion, we read from Isaiah 44-45.

After personal solitary time with the Lord, feedback was shared. It was encouraging, as always, to see how God answered each person from His Word, but especially encouraging to see how God brought everything together through individually answered prayers.

The consent was that no new canals need to be dug at present, but that the existing canals need to be widened, deepened and lengthened.

Practically this means that more women need to be reached with the truth from His Word through existing channels such as the *WhatsApp* groups, Bible studies and social media. This needs to be done through determined focus on more leaders and different generations.

4. Equipping Women of all Generations and Cultures

4.1 Table Talks (George, Western Cape)

A Vivid Life partnered with *Revive Our Hearts South Africa*, at an event called, *Table Talks*, in George, South Africa.

ROH SA was privileged to be the focus. Retha de Villiers (main speaker), spoke on Psalm 107 and the prisons we find ourselves in. She ministered to weary hearts and invited the ladies to call on God to save them and lead them away from trouble. Maureen Beetge (*George Baptist Church*), Dawn Whitehead (*Hope Church*) and Marli Volschenk, (missionary from Madagascar), shared their testimonies on how they practically use *ROH* material to encourage women to freedom, fullness and fruitfulness in Christ. Wilmie van Tonder (Ambassador for *ROH*, Southern Cape) concluded the program with an invitation to the ladies to take up the role of mentoring and discipleship as outlined in Titus 2.

We are thankful to Suria Scholtz (*A Vivid Life*) for arranging the event and choosing to partner with *ROH SA*. She has been a long term friend and volunteer and through her passion for women's ministry the message of *ROH* has reached many women in George.

4.2 Women's morning (Cullinan, Gauteng)

On the morning of Saturday, 8 October 2022, Jackie Arndt from *ROH SA* had the opportunity to minister in Cullinan. It was a special Spirit-filled event and we are thankful for the work the Lord is doing in the women of this community. The theme was, "Flower where you are planted" and we journeyed through the Bible to look at how Biblical heroes flowered in desert seasons of their lives.

Lise Brauckmann: *True Woman 101: Divine Design* is a wonderful, Spirit-filled, Word-based Bible Study book that allowed our small group to rediscover our identity as women in Christ. We are a group that started this study at the beginning of 2022. We cannot but testify of growth and restoration. We have truly experienced the restoring power of the Holy Spirit. What has touched us the most is the intentionality with which God created us as women. We now understand, more than ever, our womanhood in Christ. Also, we understand that womanhood is not about being better than or like a man, but that it is a unique calling and responsibility that we need to take up in our workplaces and the home. We understand the role of the man and that we need to honour him. We pray differently for our fathers, husbands, children, colleagues and friends. We are excited and expectant to work through *True Woman 201* together.

4.4 Heaven Rules Conference

The *Heaven Rules Conference* was hosted at 5 venues all over SA, namely:

City	Province	Attendees
Pretoria	Gauteng	75 Women
Nelspruit (Mbombela)	Mpumalanga	28 Women
Middelburg	Mpumalanga	70 Women
Koekenaap	Western Cape	9 Women
Jivannadi Missions (La Mercy)	Kwazulu-Natal	35 Women

Pretoria

There is deep gratitude in my heart today. I encountered so many kind-hearted people there and was able to experience the presence of Abba.

Middelburg

Melissa Oosthuizen: We started our first session with Nancy explaining where the phrase "Heaven Rules" came from. Joni Earekson Tada was a wonderful example of how to live *Heaven Rules* every day, and we ended a beautiful morning with Dannah Gresh. She is such a "real" person and it's so easy to relate to her. Her explaining the Covenant made us realise once again how much the Father loves us. We would like to thank *ROH* for your ministry; may the Lord continue to bless you with Himself.

Nelspruit (Mbombela)

Angie Grobler: We had time for testimonies during the morning and afterwards I had feedback from the ladies. I was so filled with joy to hear that the specific prayers that had been prayed for each of these ladies had been answered by God. The ladies who have been struggling with situations in their lives were encouraged to carry on in the situation with God's help and with God's clarity. It was such a blessing to witness God at work in front of us.

Koekenaap

Sindy Naudé: It was a privilege to host ladies from Koekenaap, Vredendal and Strandfontein. Mothers, daughters, friends and also new faces could meet and strengthen or forge new friendships.

The conference came to life in our small town when Nancy

kicked off the event with her session "What Difference Does It Make." We could also identify with Dannah Gresh's session "Inviting Heaven To Rule In Your Mind" and her practical examples such as the "Holy Girl Walk." Joni Eareckson Tada's testimony brought tears to our eyes hearing about God's sovereignty and goodness.

We shared lunch, where we had the opportunity to discuss the sessions and share personal testimonies. The afternoon ended with a purple cupcake and Nancy's session, "The King Still Has One More Move." This was not the first *True Woman* conference on Plot 79, Koekenaap, and will certainly not be the last one! All the ladies are already looking forward to the next event. "Heaven Rules and our King sits on the throne!"

Jivannadi Missions

Larise Fourie: There were many testimonies of God's grace at this conference, but I will share only two.

A newlywed husband showed his commitment to his wife when he drove her to the conference and sacrificed the next six hours of his time, caring for his four month old baby in the reception of *Jivannadi*

Mission, so that his wife could attend the conference.

We were delighted that a Hindu lady attended the conference at the invitation of her friend. She was deeply touched by the testimony of cancer patient Colleen Chao, as she herself has also been in and out of the hospital with breast cancer.

4.5 Mukhanyo Bible School

As an academic institution with a missional heart *Mukhanyo*, amongst other things, holds day conferences to minister to the spiritual needs of people in local churches and the community. On Saturday, 26 March 2022, a ladies' conference was held at the KwaMhlanga campus with the theme "Biblical Womanhood". Corné Loots, from *Revive our Hearts South Africa*, was the main speaker. The theme she selected was "A woman's identity in God." She explained that we all come from different backgrounds and even language groups. The audience was challenged to be cautious with whom or what they identified.

Corné testified:

Preparing for this conference was a special journey to me. The Father helped me confirm my own identity in Him and so the day was a testimony of myself. More so, it excited me about my own role – to be a true Naomi for the Ruth generation. My wonderful young translator, Rebecca, was a personification of this fresh calling.

4.6 Unite in Prayer

Some of the ROH SA team members and also Jannie de Villiers, the chairman of our board, continue to deliver messages on a regular basis at W@W's daily United in Prayer prayer events.

4.7 Bible Study Groups

Young Ladies from Pretoria

Lise Brauckmann:

True Woman 101: Divine Design is a wonderful, Spirit-filled, Word-based Bible study book which allowed our small group to rediscover our identity as women in Christ. We as a group embarked on this study at the beginning of 2022. We cannot but testify of growth and restoration. We have truly experienced the restoring power of the Holy Spirit. What has touched us the most is the intentionality with which God created us as women. We now understand, more than ever, our womanhood in Christ. Also, womanhood is not about being better than or like a man, but that it is a unique calling and responsibility which we need to take up in our workplaces and at home. We better understand the role of the man and that

we need to honour him. Now we pray differently for our fathers, husbands, children, colleagues and friends. We are excited to work through *True Woman 201* together.

Paarl, Western Cape

Trudie Boshoff, previously on the ROH SA team, relocated to the Paarl and started a women's ministry in her new congregation. She wrote the following about the Bible studies she leads:

We are 35 ladies, in different seasons of life and from different backgrounds, gathering for a weekly Bible study. I love

witnessing how God is working in every heart. We started with "My Hartsversugtinge" (Afrikaans translation of Nancy De Moss Wolgemuth's *My Personal Petitions*). The book and the Spirit-filled videos by Nancy are highly recommended. It is the ideal resource for any unsure, "first time" leader wishing to see revival in her community.

Our other Bible study group of 50 women has completed the exceptional Afrikaans Bible study course and video series "Vrou ... deur God geskep" (Woman created by God). There were challenging questions on topics related to our position as women in relationship with the Lord; submission; sexual intimacy; our role in disciplining our children; the significance in passing the baton of truth and divine values to the next generation; and many more. It was a fantastic series ensuring a generation of strong women are rooted in the right foundation, so everything else we do can flow from a sacred place. Our group truly experienced significant breakthroughs and liberation in various areas, and the name of the Lord was glorified.

Madagascar

Marlee Volschenk:

In 2015, after 15 years in the Madagascar mission field, I had a deep desire for spiritual food and fellowship with other believers. Friends in South Africa encouraged me to become part of one of the *Women at Work* online Bible studies. It was a wonderful experience and I felt how the Word and fellowship flowed into the fibre of my womanhood. It was so refreshing to gather around the Word with other women hungry for spiritual growth. One study led to another, and I was soon challenged to mentor and lead other online studies.

My Malagasy English speaking friends, Vola and Hasina, bubbled with excitement when I returned from South Africa with ROH's Bible study books. We started a unique Bible study where I translated video sessions for these ladies. Every gathering is so special and fulfilling. I cannot praise God enough for the ROH material and the *Women at Work* Bible studies!

Pure Hope

Pure Hope School is an educational institution for underprivileged children. Roughly four years ago a girls' group was started by two former members of the *ROH SA* team, namely Marinda Prinsloo and Leanie de Korte.

Leanie testifies:

We gather once a week around the Word. We share, serve and pray for each other. We often take on hard subjects and use *Revive Our Hearts* and *True Girl* resources in an attempt to discover the truth as taught in the Word. Our conversations are honest and open, no topic is too tough to tackle. Each person's opinion is heard, but then we dig deep to come to the only Truth. The Truth that stands above cultural ways and traditions. Our prayer is to send these girls into the world to bring hope, be hope and live hope.

Other Bible Study Groups

Some of our team members are also involved in various other groups where *ROH's* material is being used, including in Vastfontein and Moreletapark (Gauteng), Harrismith, and a group of women workers in a paint factory in Bloemfontein (Free State).

5. Expansion of Revive Our Hearts South Africa

5.1 Introducing ROH SA to Bloemfontein

Retha de Villiers had the opportunity to attend the life group of Annalien Prinsloo, the founder of *True Girl South Africa*, in Bloemfontein. It was a wonderful time where she could encourage the ladies as well as share the resources of *Revive Our Hearts SA*.

5.2 ROH SA on Radio Pulpit

ROH SA had the opportunity of presenting the ministry to the country on Monday morning, 14 March 2022 on *Radio Pulpit*. Jackie Arndt from our team had a wonderful conversation with Wynand, the presenter, and it was a privilege to discuss more of the origin, nature and heart of the ministry. All honour is given to our God, and we are extremely thankful for this opportunity. The interview can be watched [here](#).

Marcia has taken on the role of Office Administrator.

Additionally, Amorien van Heerden will be responsible for handling the finances, taking over from Jackie.

Thanksgiving

We want to praise the Lord with all that is within us; we want to praise His holy Name. We want to praise the Lord and not forget any of His benefits. It is He who has led and advanced *Revive Our Hearts SA* for another year, touching women with the truths from His Word. It is He who has provided physical strength and resources for the ministry to grow, calling volunteers to step forward.

As a father has compassion on his children, so the Lord has had compassion on the *ROH SA* Team. The Lord has established His throne in heaven; His dominion extends over everything and everyone, including *ROH SA*. "Heaven Rules."

Praise the Lord, every woman who has experienced the Lord's love and faithfulness this year and has encountered His presence. Praise the Lord, every young girl who has experienced "Freedom, Fullness, and Fruitfulness."

All who are created by Him, praise the Lord in all the places where He reigns! We want to praise the Lord.

Retha de Villiers
ROH South Africa Director

The Lord’s Prayer

*Our Father in heaven,
hallowed be Your name.
Your kingdom come, Your will be done,
on earth as it is in heaven.
Give us this day our daily bread,
and forgive us our debts,
as we also have forgiven our debtors.
And lead us not into temptation,
but deliver us from evil.
For Yours is the kingdom,
and the power, and the glory, forever.
Amen*

Our Father in heaven hallowed be Your Name

"And as for me, this is my covenant with them," says the Lord.
My Spirit that is upon you, and my words that I have put
in your mouth, shall not depart out of your mouth,
nor out of your offspring, or out of the mouth of
any one," says the Lord.
